

# RESEARCH INTERNSHIP: ARABIC OR SPANISH SPEAKERS NEEDED

**Children's Environments  
Research Group**

The Children's Environments Research Group (CERG) provides an important link between university scholarship and the development of policies, environments and programs that fulfill children's rights and improve the quality of their lives.

CERG seeks research assistants to collaborate on a video data analysis project from July 2014 to June 2015.

Experience  
with  
Final Cut Pro  
and  
Video Editing  
Desired

## QUALIFICATIONS

- ▶ Interest and/or experience in the field of research on children lives
- ▶ Two years of undergraduate study (or equivalent) with good academic standing
- ▶ Fluent in either Spanish or Arabic (native speaker preferred)
- ▶ Experience with Final Cut Pro video editing
- ▶ Human Subjects Certification (obtained once hired)

## RESPONSIBILITIES

- ▶ Four to six hours of work per week
- ▶ Upload and prepare digital videos for analysis in Final Cut Pro
- ▶ Analyze and/or transcribe video recorded data in Spanish and/or Arabic
- ▶ Maintain accurate records of data, safeguarding the confidentiality of subjects, as necessary
- ▶ Attend project meetings regularly at the Graduate Center
- ▶ Assist in preparing progress reports

PLEASE EMAIL TO SET UP AN INTERVIEW  
[CERG.NYC@GMAIL.COM](mailto:CERG.NYC@GMAIL.COM)

## COMPENSATION

Successful applicants will receive a stipend for their work. This position is intended for students seeking research experience in preparation for graduate level study or employment in related fields.

## LOCATION

The Children's Environments Research Group is located in the CUNY Graduate Center:

365 Fifth Avenue, New York,  
NY 10016, Room 6203.01.
